**DIOCESAN DIRECTIVE ON PARISH PROPERTY**

All parish property is to be held in St Patrick's Archdiocesan Trust with the parish being the beneficiary.

It is now a Diocesan requirement that any proposed parish property transaction, that is, lease or sale, has to be approved by the Parish Finance Committee and a copy of the Minutes of the relevant meeting, together with full details of the proposal, must be forwarded to the Diocesan Property Committee for its consideration.

The proposed transaction must be at current market value, this being a requirement of the Charities Commission. Written professional valuation may have to be obtained in certain cases. The Parish Finance Committee has to act at all times to meet these requirements.

With this in mind, any proposed parish property transaction, whether lease or sale, will in the first instance be detailed in the parish bulletin and newsletter for parishioners' consideration.

**A Reminder –**

The season of creation takes place between the World Day of Prayer for Creation on 01 September and the Feast of St Francis of Assisi on 04 October. Thousands of people have been coming together to pray and care for creation at this time, a responsibility which pertains to all of us.

**October Rosary** During the month of October the altar servers will lead the praying of the Rosary at 7.30 pm each Thursday in the Immaculate Conception Church Mullavilly.
